U. S. GOVERNMENT GRADED "CHOICE" BEEF

Every cut of meat in a Shoppers Meat case has been trimmed of excess bone and fat to give you more "eatin' meat". This is done before the meat is weighed and wrapped. There are no hidden tails or layers of fat on the bottom of the package. We want you to return again and again and to tell your friends of the wonderful flavor, tenderness and trim of the TOP OF THE CHOICE USDA "Choice" Beef you get at Shoppers Markets.

You'll notice we don't use any fancy adjectives. Any name you see on meat other than a grade name preceded by "USDA" is either ungraded by the U. S. Government or of an inferior grade. USDA "CHOICE" is the only name you'll see at Shoppers.

If we want you to return as a Shoppers Market customer, we MUST give you the best. It's what you expect. It's what we give.
